 arts poster edition, California artist
 Lynn Larson's exuberant animal fantasy
 provides a bright, pastel celebration of
 our tenth anniversary.
 #7791 (20 x 28") \$15
 #7792 (framed) \$65

Welcome to the Nature Company's Museum Graphics Collection, a catalog of fine arts posters representing the best of the Nature Company's graphic arts collection.

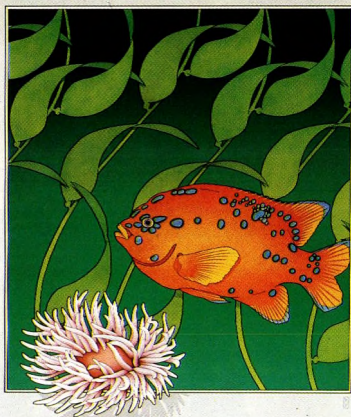

In recent years the poster form has enjoyed a popular renaissance, blending original art with graphic design and bringing finely produced graphics within reach of a wide new audience.

Each poster in our catalog is produced to the highest contemporary printing standards, on extra-heavy poster stock intended for framing. Posters are available unframed or framed in acrylic panes with chromium metal sectional frames.

In the selections that follow we invite you to sample the exciting world of poster graphics. And, as always, if you visit the Bay Area, be sure to stop at the Nature Company—a department store of the natural world!
